Whether you traveling in a Group, individually with a small or large budget Gulmit Continental Hotel offers accommodation for everyone. All rooms are spacious and seprate bathrooms with twenty four hours running hot and cold water From each Rooms there is an enwalled views of Gulmit and the surrounding peaks.

The Reastaurant is nice meeting place to have a cup of local mountain tea Turmintro, it offers a broad choice of local,Pakistani,Chinese English and Continental dishes. All Meals are prepared with fresh local ingredients. The water used to prepare our food and tea is spring water and is safe to drink. One of the local specialties on the Menu is Molida (local cheese and chapatti soaked, boiled and topped with Melted yak butter or Apricot oil. As from the rooms, the view from the Restaurant is spectacular.

ABOUT THE AREA

The area offers unlimited trekking for all grade or challenges from one day onwards. The treks to shamber Glacier, Balisar SAR Glacier and to the Panair side it provide magnificent views and adventures. A moderate day long trek takes you from Gulmit, through kamaris to Ghulkin and onwards across Ghulkin Glacier, Boritflake eventually Hussaini (hot spring and suspension Bridges). This trek offers a diverse experience from a panoramic view including peaks, Glaciers, Streams, Rivers, Crops fields and settlements offering the chance to meet very hospitable people. The trek between Gulmit and Hussaini offers another

taste of adventure as the trekker is required to cross a suspension foot bridge (Dua) that demand bravely and high determination to cross. Boiber valley is one of the oldest settlement of waki migration and has recently become more accessible for visitors.

Traveling by jeep through the narrow gorge of Boiber as well as Chapursan, Shunshud and Mosgar valley all gives thrilling experiences. The best trekking season is usually from may to mid October. The Shuspe Glaciers trek can be done as long day trek or you can camp one night on Shisper meadow. It is recomanded to take a guide on these treks. Gulmit Continental hotel can arrange every things for you. It is pleasant hour stroll to the Ordus Fort near kamaris village. From here there are impressive views down to karakorum highway to Tipopdan peak. The management of Gulmit Continental Hotel will gladly assist you in planning your treks and walks around Gulmit village.
